A large, faint gray 'X' mark is centered on a white background. The 'X' is formed by two thin, light-gray lines that intersect at the center. The lines extend from the top-left corner towards the bottom-right corner, and from the top-right corner towards the bottom-left corner, creating a symmetrical cross shape.

GAME

HOW IT WORKS

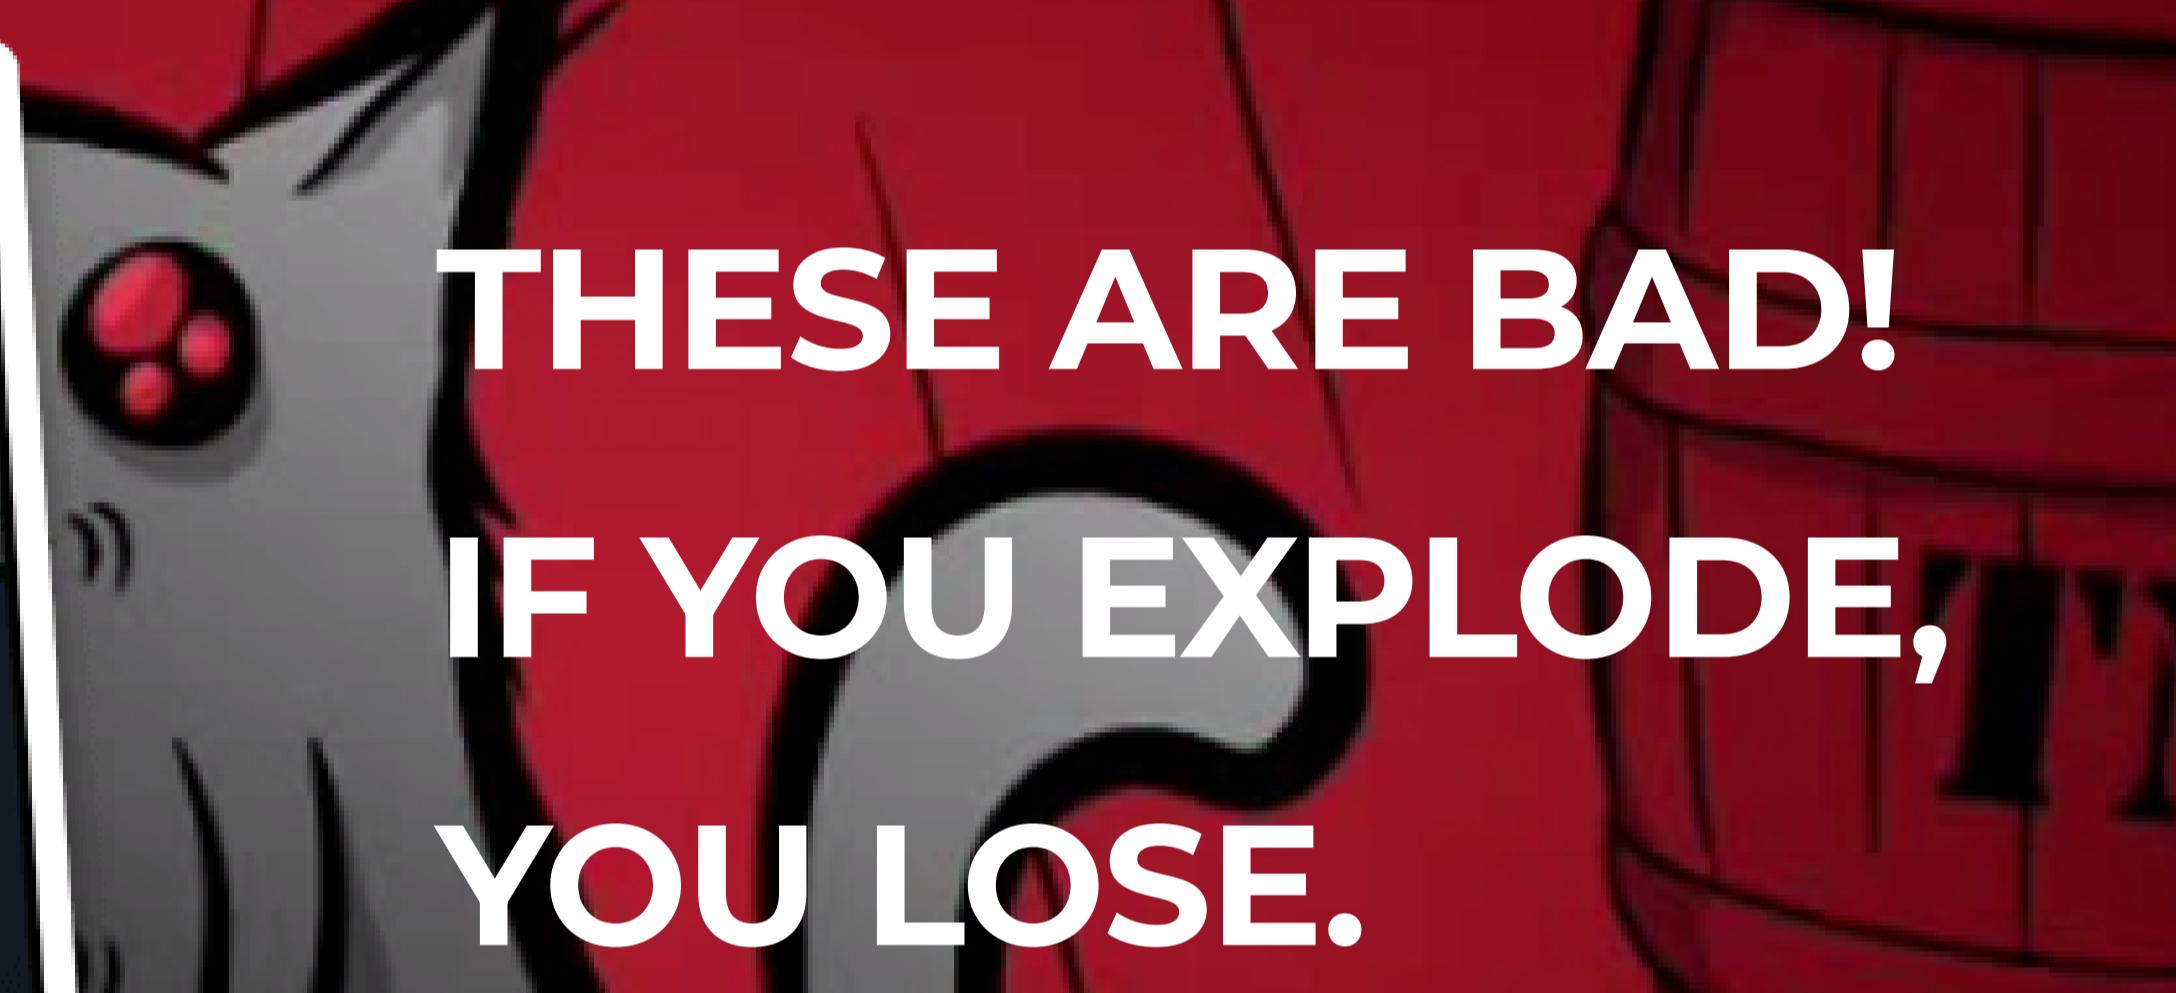

In the deck of cards are some Exploding Kittens. You play the game by putting the deck face down and taking turns drawing cards until someone draws an Exploding Kitten.

When that happens, that person explodes. They are now dead and out of the game.

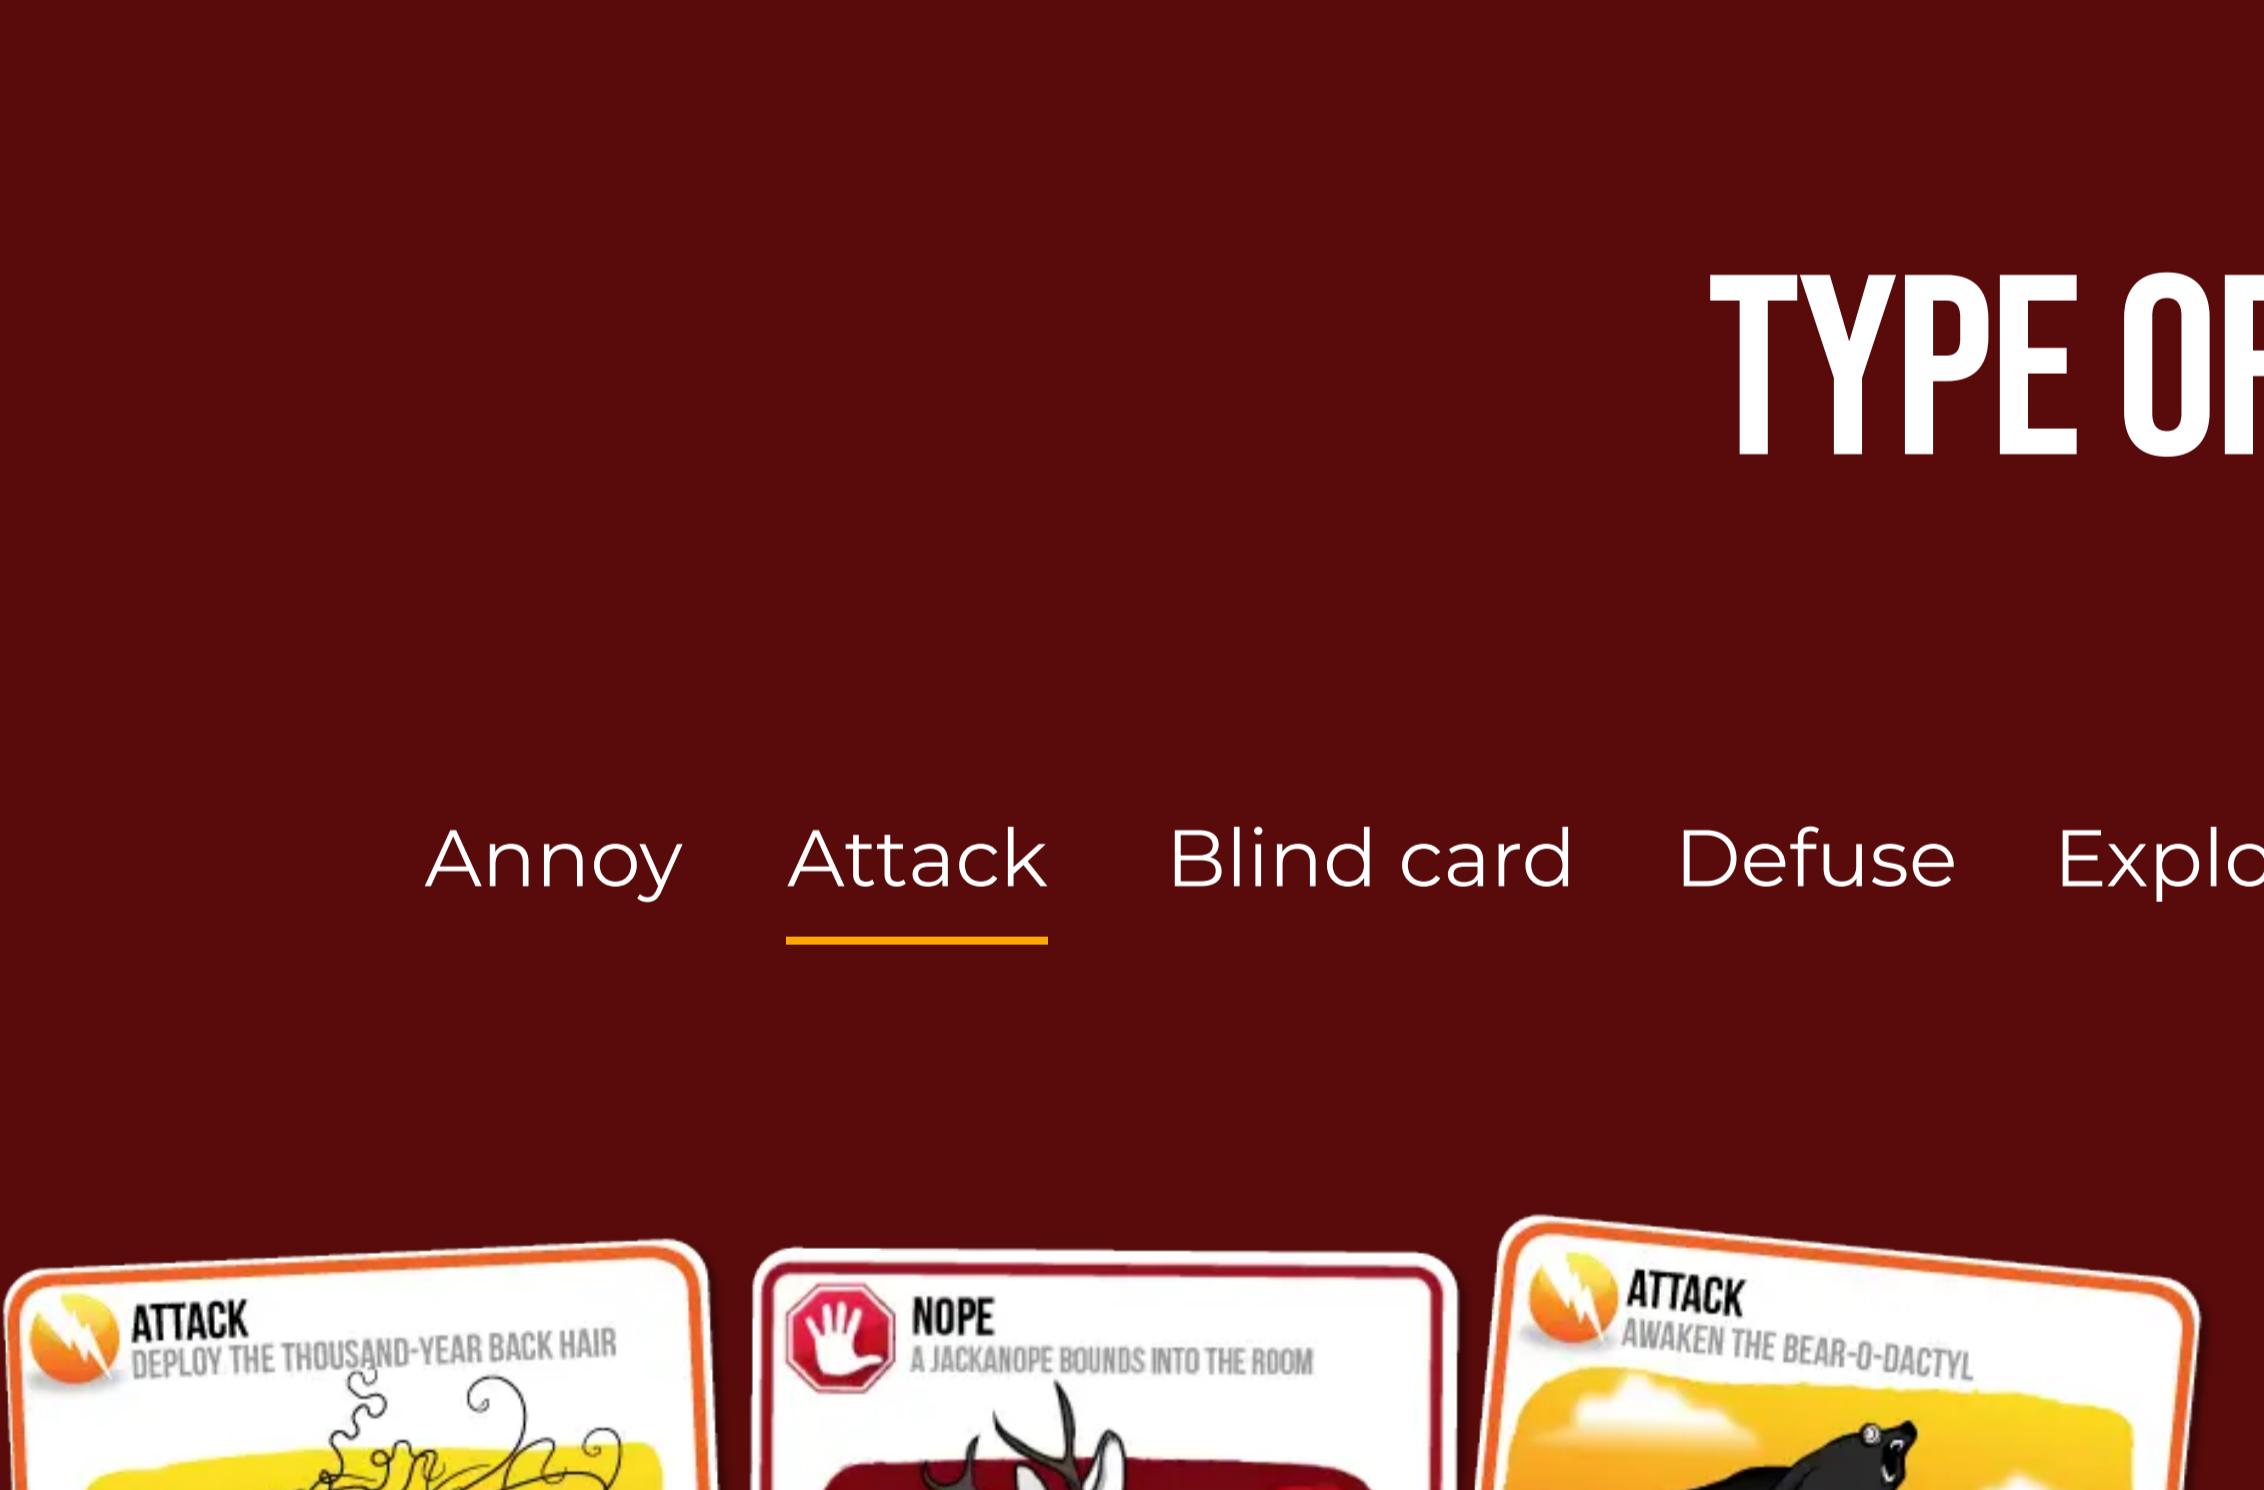

This process continues until there's only 1 player left, who wins the game.

The more cards you draw, the greater your chances of drawing an Exploding Kitten.

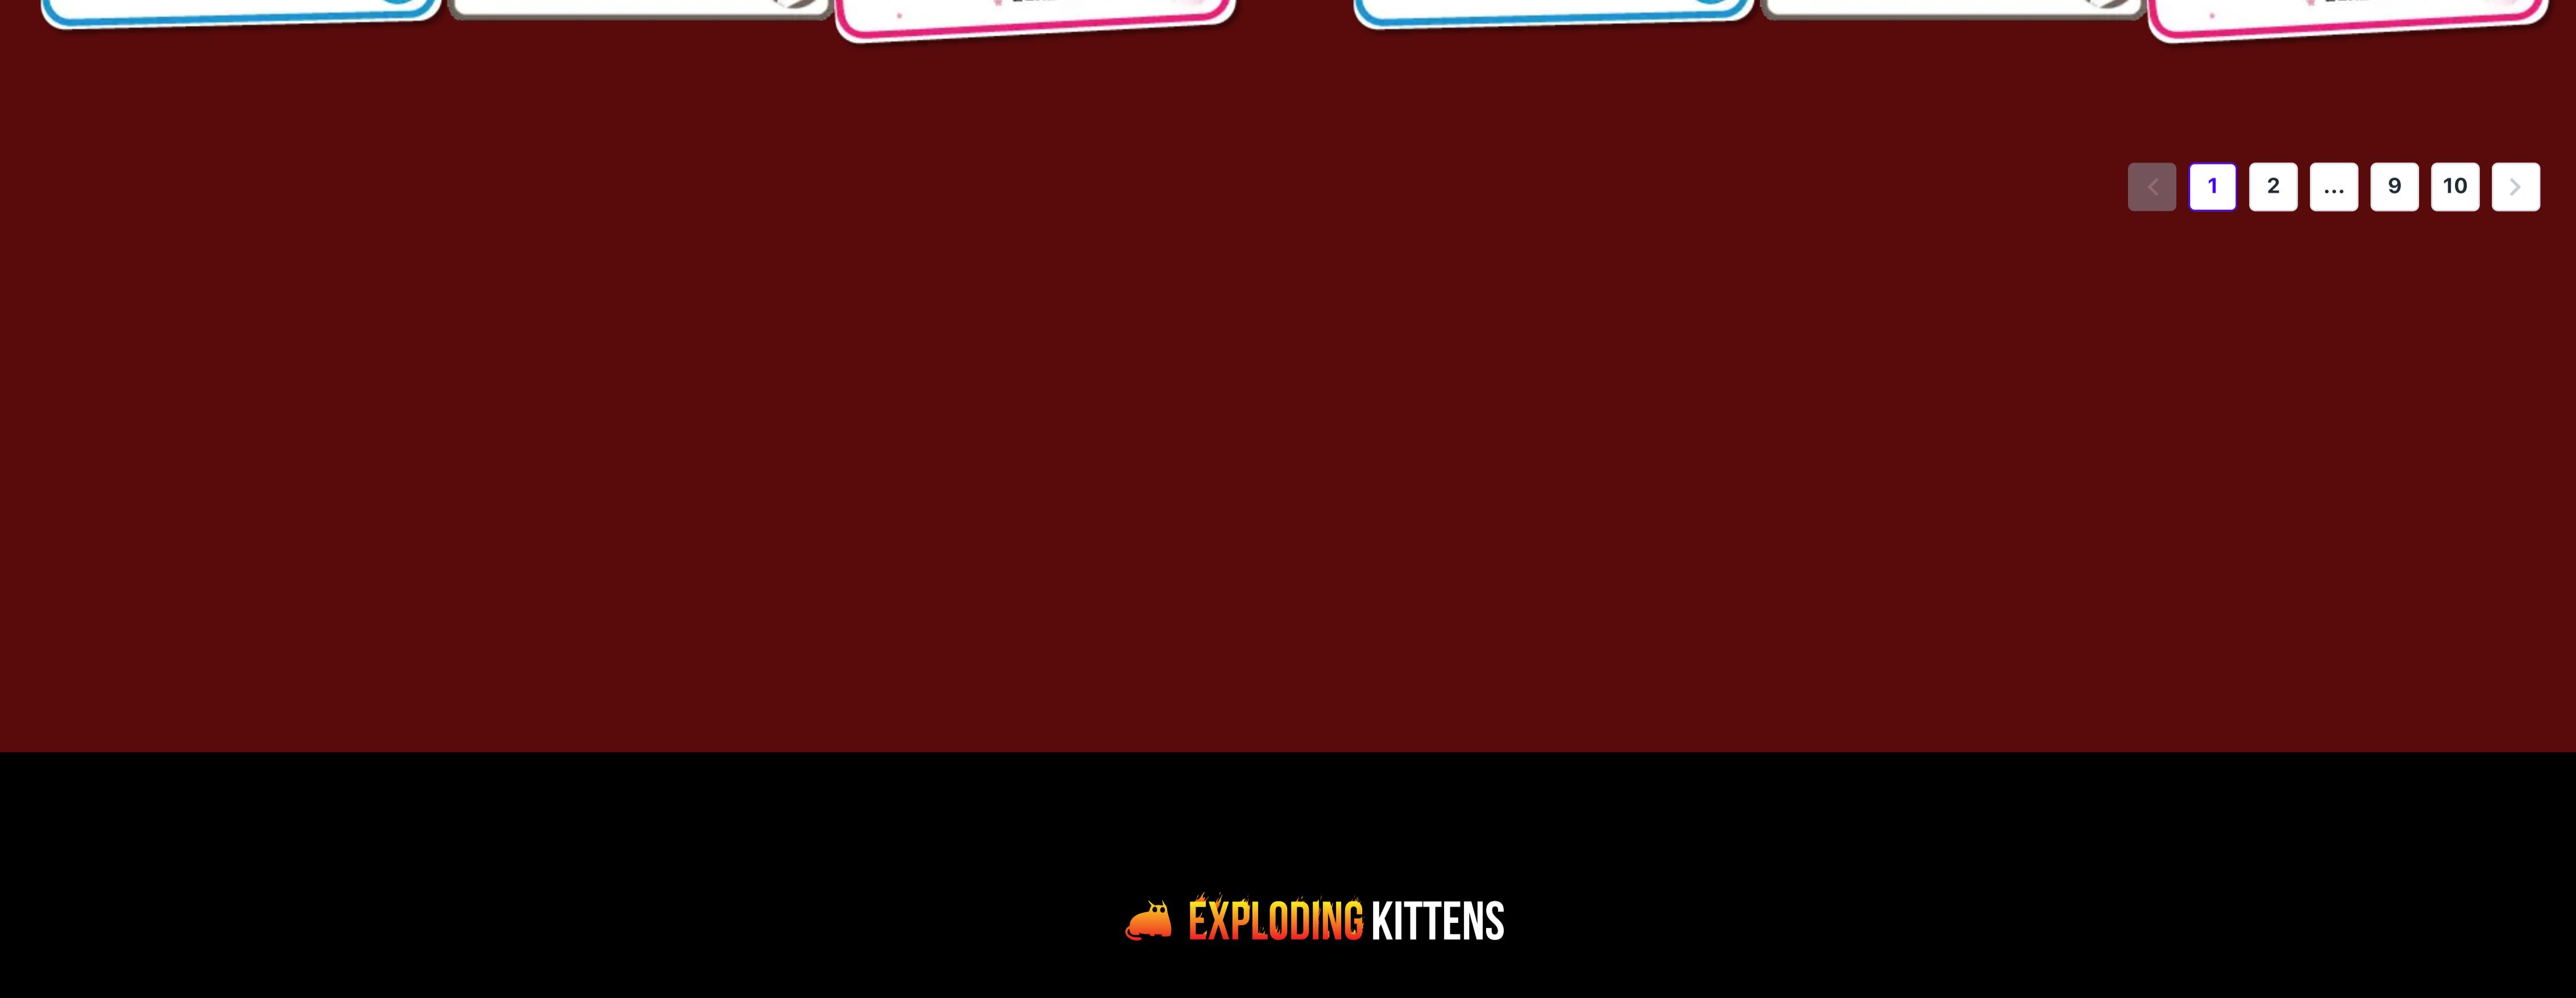

THESE ARE BAD!

The image is a vertical promotional graphic. At the top left is a portrait of a woman with dark hair, wearing a dark, textured top and large, dangling earrings. To her right, the name "Jess Santiago" is written in a bold, black, sans-serif font. The middle section of the image has a solid dark red background. In the center, there is a horizontal sequence of seven small circles: a solid black circle followed by six smaller, semi-transparent gray circles. At the bottom, the words "EXPLDING KITTENS" are written in a stylized, jagged font. "EXPLDING" is in white and "KITTENS" is in orange. To the left of "EXPLDING" is a small, orange, cartoonish illustration of a kitten. Below this, the question "Are you ready?" is written in a large, white, sans-serif font. At the very bottom is a red rounded rectangle containing the word "Login" in white.
